Dear Cllr Davies

Following the emergency meeting last night where the motion received cross-party unanimous support, I write to ask when you plan to make a submission to the Secretary of State for Health and Social Care to call in the Future Fit plan for review by an Independent Reconfiguration panel. We have been waiting a long time for this opportunity and it is surprising the Council is unprepared to act.

As you know, both MPs for Telford & Wrekin have briefed the Health Secretary and he is now waiting to consider grounds to call in Future Fit for review.

I will of course continue to make the case in Parliament but no action can be taken until Telford & Wrekin Council makes a formal submission to the Health Secretary.

Please confirm this is your top priority and you will be making the submission without further delay.

I look forward to hearing from you as a matter of urgency.

Yours sincerely
