Dear David

I wanted to take the opportunity to thank you and all of the Councillors, officers and staff at Telford & Wrekin Council for their hard work throughout this challenging time.

As the MP for Telford, I have seen first-hand the pressures this unprecedented health crisis has put on our community and the outstanding role the Council has played in helping to support those most in need. From food deliveries to those shielding to efficiently distributing Government grants to our local businesses Telford & Wrekin Council has come together and gone above and beyond to ensure that people have felt supported. On behalf of my constituents, I would like to say how grateful I am to you and your excellent team.

The Council has had to have adapt working practices to manage the huge amount of additional demands placed upon it, and I know from the additional work load of my own team that this is a very challenging time for all key workers and frontline staff. Please do pass on my recognition of this exceptional effort.

If there is anything further I can do to support you and your team at this time as we continue to work in the best interests of the local community, please do let me know.

With all good wishes.

Yours sincerely

Lucy Allan Member of Parliament for Telford
